The agency's contract with the applicable government entities includes the obligation to adopt and comply with PREA Standards.
- b) Any new contract or contract renewal shall provide for contract monitoring to ensure that the contractor is complying with the PREA Standards.

C. Supervision and monitoring (§ 115.13 PREA National Standards)

- a) Each facility shall develop, document, and make its best efforts to comply on a regular basis with a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect inmates against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, facilities shall take into consideration:
 - (1) Generally accepted detention and correctional practices;
 - (2) Any judicial findings of inadequacy;
 - (3) Any findings of inadequacy from Federal investigative agencies;
 - (4) Any findings of inadequacy from internal or external oversight bodies;

 - (1) The established staffing plan;
 - (2) The facility's deployment of video monitoring systems and other monitoring technologies; and
 - (3) The resources the facility has available to commit to ensure adherence to the staffing plan.
- d) Intermediate-level or higher-level supervisors shall conduct and document unannounced rounds to identify and deter staff sexual abuse and sexual harassment. Such policy is applicable to for both night and day shifts. Staff is prohibited from alerting other staff members that these supervisory rounds are occurring, unless such announcement is related to the legitimate operational functions of the facility.

D. Youthful Inmates (§ 115.14 PREA National Standards)

- a) A youthful inmate shall not be placed in a housing unit in which the youthful inmate will have sight, sound, or physical contact with any adult inmate through use of a shared dayroom or other common space, shower area, or sleeping quarters.
- b) In areas outside of housing units, agencies shall either:
 - (1) maintain sight and sound separation between youthful inmates and adult inmates, or
 - (2) provide direct staff supervision when youthful inmates and adult inmates have sight, sound, or physical contact.
- c) Agencies shall make best efforts to avoid placing youthful inmates in isolation to comply with this provision. Absent exigent circumstances, agencies shall not deny youthful inmates daily large-muscle exercise and any legally required special education services to comply with this provision. Youthful inmates shall also have access to other programs and work opportunities to the extent possible.

E. Limits to cross-gender viewing and searches (§ 115.15 PREA National Standards)

- c) The facility shall document all cross-gender strip searches and cross-gender visual body cavity searches, and all cross-gender pat-down searches of female inmates.
- d) Inmates shall be allowed to shower, perform bodily functions, and change clothing without nonmedical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks. Staff of the opposite gender shall announce their presence when entering an inmate housing unit.
- e) The facility does not search or physically examine a transgender or intersex inmate for the sole purpose of determining the inmate's genital status. If the inmate's genital status is unknown, it may be determined during conversations with the inmate, by reviewing medical records, or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner.
- f) Security staff shall be trained to conduct cross-gender pat-down searches, and searches of transgender and intersex inmates, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs.

F. Inmates with disabilities and inmates who are limited English proficient. (§ 115.16 PREA National Standards)

- a) The facility shall ensure that inmates with disabilities (including, for example, inmates who are deaf or hard of hearing, those who are blind or have low vision, or those who have intellectual, psychiatric, or speech disabilities), have an equal opportunity to participate in or benefit from all aspects of the agency's efforts to prevent, detect, and respond to sexual abuse and sexual harassment. When necessary to ensure effective communication with inmates who are deaf or hard of hearing, the facility shall provide access to interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. In addition, written materials are provided in formats or through methods that ensure effective communication with inmates with disabilities, including inmates who have intellectual disabilities, limited reading skills, or who are blind or have low vision. The facility is not required to take actions that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity, or in undue financial and administrative burdens, as

those terms are used in regulations promulgated under title II of the Americans With Disabilities Act, 28 CFR 35.164.

- b) The facility shall take reasonable steps to ensure meaningful access to all aspects of the agency's efforts to prevent, detect, and respond to sexual abuse and sexual harassment to inmates who are limited English proficient, including steps to provide interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary.
- c) The facility shall not rely on inmate interpreters, inmate readers, or other types of inmate assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the inmate's safety, the performance of first-response duties under § 115.64, PREA National Standards, or the investigation of the inmate's allegations.

G. Hiring and promotion decisions. (§ 115.17 PREA National Standards)

- a) The facility shall not hire or promote or enlist the services of any contractor who may have contact with inmates, who—

- d) The facility shall also perform a criminal background records check before enlisting the services of any contractor who may have contact with inmates.
- e) The facility shall conduct criminal background records checks of current employees and

contractors who may have contact with inmates at least every five years.

- f) All applicants and employees who may have contact with inmates directly shall be required to answer questions about previous misconduct described in paragraph 1 of this section in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. All employees shall be reminded of their continuing affirmative duty to disclose any such misconduct.
- g) Material omissions regarding such misconduct, or the provision of materially false information, shall be grounds for termination.
- h) Unless prohibited by law, the agency shall provide information on substantiated allegations of sexual abuse or sexual harassment involving a former employee upon receiving a request from an institutional employer for whom such employee has applied to work.

H. Upgrades to facilities and technologies (§ 115.18 PREA National Standards)

- a) In planning any substantial expansion or modification of existing facilities, the agency shall consider the effect of the design, acquisition, expansion, or modification upon the agency's ability to protect inmates from sexual abuse.
- b) When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, the agency shall consider how such technology may enhance their ability to protect inmates from sexual abuse.

II. RESPONSIVE PLANNING

A. Evidence protocol and forensic medical examinations (§ 115.21 PREA National Standards)

- a) To the extent the facility is responsible for investigating allegations of sexual abuse; the facility shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions.
- b) As appropriate, such protocol shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice's Office on Violence Against Women publication, "A National Protocol for Sexual Assault Medical Forensic Examinations, Adults/Adolescents," or similarly comprehensive and authoritative protocols developed after 2011.
- c) The facility shall offer all victims of sexual abuse access to forensic medical examinations, whether on-site or at an outside facility, without financial cost, where evidentially or medically appropriate. Such examinations shall be performed by Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The facility shall document its efforts to provide SAFEs or SANEs.

If a rape crisis center is not available to provide victim advocate services, the facility shall make available to provide these services a qualified staff member from a community-based organization, or a qualified agency staff member. The facility shall document efforts to secure services from rape crisis centers. For the purpose of this standard, a rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages. The facility may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a comparable level of confidentiality as a nongovernmental entity that provides similar victim services.
- e) As requested by the victim, the victim advocate, qualified agency staff member, or qualified community-based organization staff member shall accompany and support the victim through the forensic medical examination process and investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals.
- f) To the extent the facility itself is not responsible for investigating allegations of sexual abuse, The facility shall request that the investigating agency follow the requirements of paragraphs 1 through 5 of this section.
- g) The requirements of paragraphs 1 through 6 of this section shall also apply to:
 - (1) Any State entity outside of the agency that is responsible for investigating allegations of sexual abuse in prisons or jails; and
 - (2) Any Department of Justice component that is responsible for investigating allegations of sexual abuse in prisons or jails.
- h) For the purposes of this section, a qualified agency staff member or a qualified community based staff member shall be an individual who has been screened for appropriateness to serve in this role and has received education concerning sexual assault and forensic examination issues in general.

- a) An administrative or criminal investigation shall be completed for all allegations of sexual abuse and sexual harassment.
- b) Allegations of sexual abuse or sexual harassment shall be referred for investigation to an agency with the legal authority to conduct criminal investigations, unless the allegation does not involve potentially criminal behavior. The facility shall publish such policy in its Inmate Handbook, which is issued to each inmate upon admission. The facility shall document all such referrals.
- c) If a separate entity is responsible for conducting criminal investigations, such publication shall describe the responsibilities of both the facility and the investigating entity.

- d) Any State entity responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in prisons or jails shall have in place a policy governing the conduct of such investigations.
- e) Any Department of Justice component responsible for conducting administrative or criminal investigations of sexual abuse or sexual harassment in prisons or jails shall have in place a policy governing the conduct of such investigations.

- c) All current employees who have not received such training shall be trained within one year of the effective date of the PREA standards, and the facility shall provide each employee with refresher training every two years to ensure that all employees know the agency's current sexual abuse and sexual harassment policies and procedures. In years in which an employee does not receive

refresher training, the facility shall provide refresher information on current sexual abuse and sexual harassment policies.

- d) The facility shall document, through employee signature or electronic verification that employees understand the training they have received.

- d) Inmate education shall be provided in formats accessible to all inmates, including those who are limited English proficient, deaf, visually impaired, or otherwise disabled, as well as to inmates who have limited reading skills.
- e) The facility shall maintain documentation of inmate participation in these education sessions.
- f) In addition to providing such education, key information shall be continuously and readily available or visible to inmates through posters, inmate handbooks, or other written formats.

D. Specialized training: Investigations (§ 115.34 PREA National Standards)

- a) In addition to the general training provided to all employees pursuant to Employee Training (§ 115.31 PREA National Standards) (a), PCJ shall ensure that, to the extent the facility itself conducts sexual abuse investigations, its investigators have received training in conducting such investigations in confinement settings.
- b) Specialized training shall include techniques for interviewing sexual abuse victims, proper use of Miranda and Garrity warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral.

- c) The facility shall maintain documentation that medical and mental health practitioners have received the training referenced in this standard either from the facility or elsewhere.
- d) Medical and mental health care practitioners shall also receive the training mandated for employees under § Employee Training (§ 115.31 PREA National Standards) or for contractors and volunteers under § Volunteer and contractor training. (§ 115.32 PREA National Standards), depending upon the practitioner's status at the facility.

IV. SCREENING FOR RISK OF SEXUAL VICTIMIZATION AND ABUSIVENESS

A. Screening for risk of victimization and abusiveness (§ 115.41 PREA National Standards)

- a) All inmates shall be assessed during an intake screening and upon transfer to another facility for

their risk of being sexually abused by other inmates or sexually abusive toward other inmates.

- b) Intake screening shall ordinarily take place within 72 hours of arrival at the facility.
- c) Such assessments shall be conducted using an objective screening instrument.
- d) The intake screening shall consider, at a minimum, the following criteria to assess inmates for risk of sexual victimization:

 - (8) Whether the inmate has previously experienced sexual victimization;
 - (9) The inmate's own perception of vulnerability; and
 - (10) Whether the inmate is detained solely for civil immigration purposes.
- e) The initial screening shall consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence or sexual abuse, as known to the facility, in assessing inmates for risk of being sexually abusive.
- f) Within a set time period, not to exceed 30 days from the inmate's arrival at the facility, the facility will reassess the inmate's risk of victimization or abusiveness based upon any additional, relevant information received by the facility since the intake screening.
- g) An inmate's risk level shall be reassessed when warranted due to a referral, request, incident of sexual abuse, or receipt of additional information that bears on the inmate's risk of sexual victimization or abusiveness.
- h) Inmates may not be disciplined for refusing to answer, or for not disclosing complete information in response to, questions asked pursuant to paragraphs (d)(1), (d)(7), (d)(8), or (d)(9) of this section.

B. Use of screening information. (§ 115.42 PREA National Standards)

- a) The facility shall use information from the risk screening required by § Screening for risk of victimization and abusiveness (§ 115.41 PREA National Standards) to inform housing, bed, work, education, and program assignments with the goal of keeping separate those inmates at high risk of being sexually victimized from those at high risk of being sexually abusive.
- b) The facility shall make individualized determinations about how to ensure the safety of each inmate.
- c) In deciding whether to assign a transgender or intersex inmate to a housing unit for male or female inmates, and in making other housing and programming assignments, the facility shall consider on a case-by-case basis whether a placement would ensure the inmate's health and safety, and whether the placement would present management or security problems.
- d) Placement and programming assignments for each transgender or intersex inmate shall be reassessed at least twice each year to review any threats to safety experienced by the inmate.
- e) A transgender or intersex inmate's own views with respect to his or her own safety shall be given serious consideration.
